THE FIRST ANNUAL SACS YEARBOOK
This is your *1966 REFLECTION*, bringing you a pictorial treasury
of the once-in-a-life-time-moments.
This is your book of memories.

"Here on the dust of countless ages past
I stand;
This moment is my life.
All past is but a memory—
The future, therefore, is only hope.

"Amid the towering peaks so cold,
Serene and high
Life is Eternal.

"The roaring river's at my feet,
The sun, the moon, the stars, the sky—
I am a part of all the universe.

"I am tomorrow's dust.
Here on the dust of countless ages past
I stand;
This moment is my life."

These Are Our Schools . . .

Berne High School

These are our schools . . . Geneva High School—Berne High School. They are made up of administrators, teachers, students, office workers, janitors . . . people. They are made up of the band-rooms, the prefabs, the shops, the main buildings, the football fields, the baseball diamonds . . . places. They are made up of studies, dances, meetings, games, examinations . . . things.

People, places, and things . . . a familiar combination in any school. But we here at South Adams feel that our people, places, and things are pretty special. We are proud to say, "These are our schools."

We think of the people of our school. People were a great part of our education. We worked with each other, we competed with each other, we planned with each other. Co-operation was the keyword for getting things done, and get things done we did. And each accomplishment added a little bit more to the prestige of our schools.

Yes, we learned to get along with the other fella.

We think of the places of our school. The white beauty of the yards in the winter, the lime green of spring, the velvet green of summer, and the rich brown of autumn. The football fields bring happy thoughts of sunny afternoons, chilly evenings, cold drinks and hot coffee, friendly people, and the excitement of seeing the Cardinals and the Bears in action. We remember the band-rooms and the sounds echoing from them. The noisy rehearsals, contests, and Pops Concerts can still be remembered by those of us who attended.

Things there were many. Basically we came to school to get an education. Reading, writing and arithmetic soon gave way to Shakespeare, themes, and trigonometry. We studied hard, knowing that getting and education would be no simple task. The athletic events taught us . . . as well as the players . . . good sportsmanship. We took losses calmly, and wins . . . well, not so calmly. We learned even while we were having fun. Planning social events was a thrilling challenge, but what fun it was stringing crepe paper, sprinkling glitter, and selling tickets.

Another "thing" accomplished, another thing well done, another thing for us to smile about and say, "These are our schools."

The yearbook staffs from both schools would like to take this opportunity to gratefully acknowledge the support from the local business communities given to both yearbooks in the past and in this new endeavor as well. Many merchants and businesses have supported one or both annuals for many years and without their help the books could not have been published. We give you a hearty THANK YOU and hope for your continued support.

To the Senior Classes of 1966:

We, The School Board, take this opportunity to extend our congratulations to the Senior Classes of 1966.

We hope the knowledge gained in your high school work will inspire you to seek further knowledge that you might prepare yourselves for the solution of the many problems facing your community, your state, your nation, and the world.

Those of you who have taken part in the extracurricular activities of your school, such as the edition of this yearbook, have already shown a willingness to assume responsibilities beyond your regular requirements. It is this willingness to do a little more than is required of you in your school today which will surely make you the leaders in your community tomorrow.

With best wishes for a successful future,

Sincerely yours,

Dedication

William L. Morris

To the students of the class of '66, Mr. William L. Morris has been not only a devoted principal, but also a true and sincere friend. His warm personality and friendly smile will be remembered by all. As a tribute to his patient, instructive guidance for four years, we, the Class of 1966, wish to dedicate this first edition of THE REFLECTION to Mr. Morris . . .

We also dedicate our annual to the halls of Geneva High, for these halls shall long be remembered by each of us, especially since we were the last Seniors to graduate from this school.

Yearbook Staff

We, the co-editors of Geneva's section of this yearbook, wish to say "THANK YOU" to Mr. B who has been the backbone of the yearbook, to the yearbook staff whose help we could not have done without, and to all the people who purchased this new combined yearbook.

Thanks again,

Judy and Margie

CLASS MOTTO
"The word American ends in 'I can' "

At the beginning of our high school career, we elected Ron Mosser, President; Jim Brubaker, Vice-President; Kathy Lehman, Secretary; and Julia Hodgin, Treasurer. During our freshman year, we made two trips to Fort Wayne—to the coliseum to see "Holiday on Ice" and to the Clyde Theater to see "My Six Loves." Our sponsor was Mr. William Kipfer.

Our sophomore year was highlighted by the addition of many new students from Hartford Township. We started the year by electing the following four girls to lead us: Kathy Lehman, President; Margie McGough, Vice-President; Sally Minton, Secretary; and Julia Hodgin, Treasurer. Our only class party was a hockey game at the coliseum in Fort Wayne. Mrs. Alice Rhoades sponsored our class.

During our junior year, we had several money-making projects. We were responsible for selling pop and popcorn at the home ball games and also presented the play "Father Knows Best." Our officers for that year were Ron Mosser, President; John Stahly, Vice-President; Kathy Lehman, Secretary; and Julia Hodgin, Treasurer. As juniors, we had a rollerskating party at Celina and also viewed "Holiday on Ice" at Fort Wayne. Mrs. Lavaun Muth and Mr. Francis Wellman served as our sponsors.

For our final year we chose Ron Mosser as our President; John Stahly, Vice-President; Kathy Lehman, Secretary; and Julia Hodgin, Treasurer. Our highlights of the year included a picnic at Affolder Park. In the spring, we travelled to Ball State University to see the opera, "The Rigoletto." Previous to viewing this musical comedy, we enjoyed a very delicious meal at the Rustic Cabin near Muncie. Our final class party was held at the Dutch Mill in Bluffton. Everyone was filled to capacity with a very tasty family-style dinner. Mrs. Lavaun Muth and Mr. Francis Wellman again sponsored us as seniors. On May 23, our night of graduation, we said "Good-by" to Geneva High School and each of us began to tread a different path in life. We all have many pleasant memories of our four short years at Geneva High.

CARDINALS HAVE FINE YEAR

The Cardinals experienced their first winning season with a fine five and four record. They have shown steady improvement over the past six years. On September 2, the Cardinals defeated the Berne Bears for the first time in five years.

Football Hi-Lites

This year, Geneva High School celebrated its one and only FOOTBALL HI-LITES. The festivities started on Friday night, October 15, with a bonfire rally and the crowning of the Sweetheart and her attendants. On Saturday, preceding the football game a parade composed of the Sweetheart and her attendants, the football players, the band, and several cars brightly decorated and occupied by members of the high school and the cheerleaders made their way through town, and arrived at the football field. Although we lost the game, our spirits were soothed by a delicious supper in the school cafeteria, followed by a record hop in the gym.

To an outsider, Basketball means a game, excitement and cheering. But, in the player's life, basketball means even more than that. It means long hours of tiresome practice, high hopes and sometimes the lonely feeling of defeat as well as victory. To other students, and to teachers and spectators it means watching and routing for good friends and working to show the best your school has to offer. Our Cardinals worked hard this past season to compile a fine 11 and 9 regular season record. An excellent showing in the sectional enabled the team to go to the final game. Good sportsmanship and fine play—we are proud of you—Cardinals and Coach Agler.

For overlooking our faults and understanding our problems.

For caring about us now and in the future

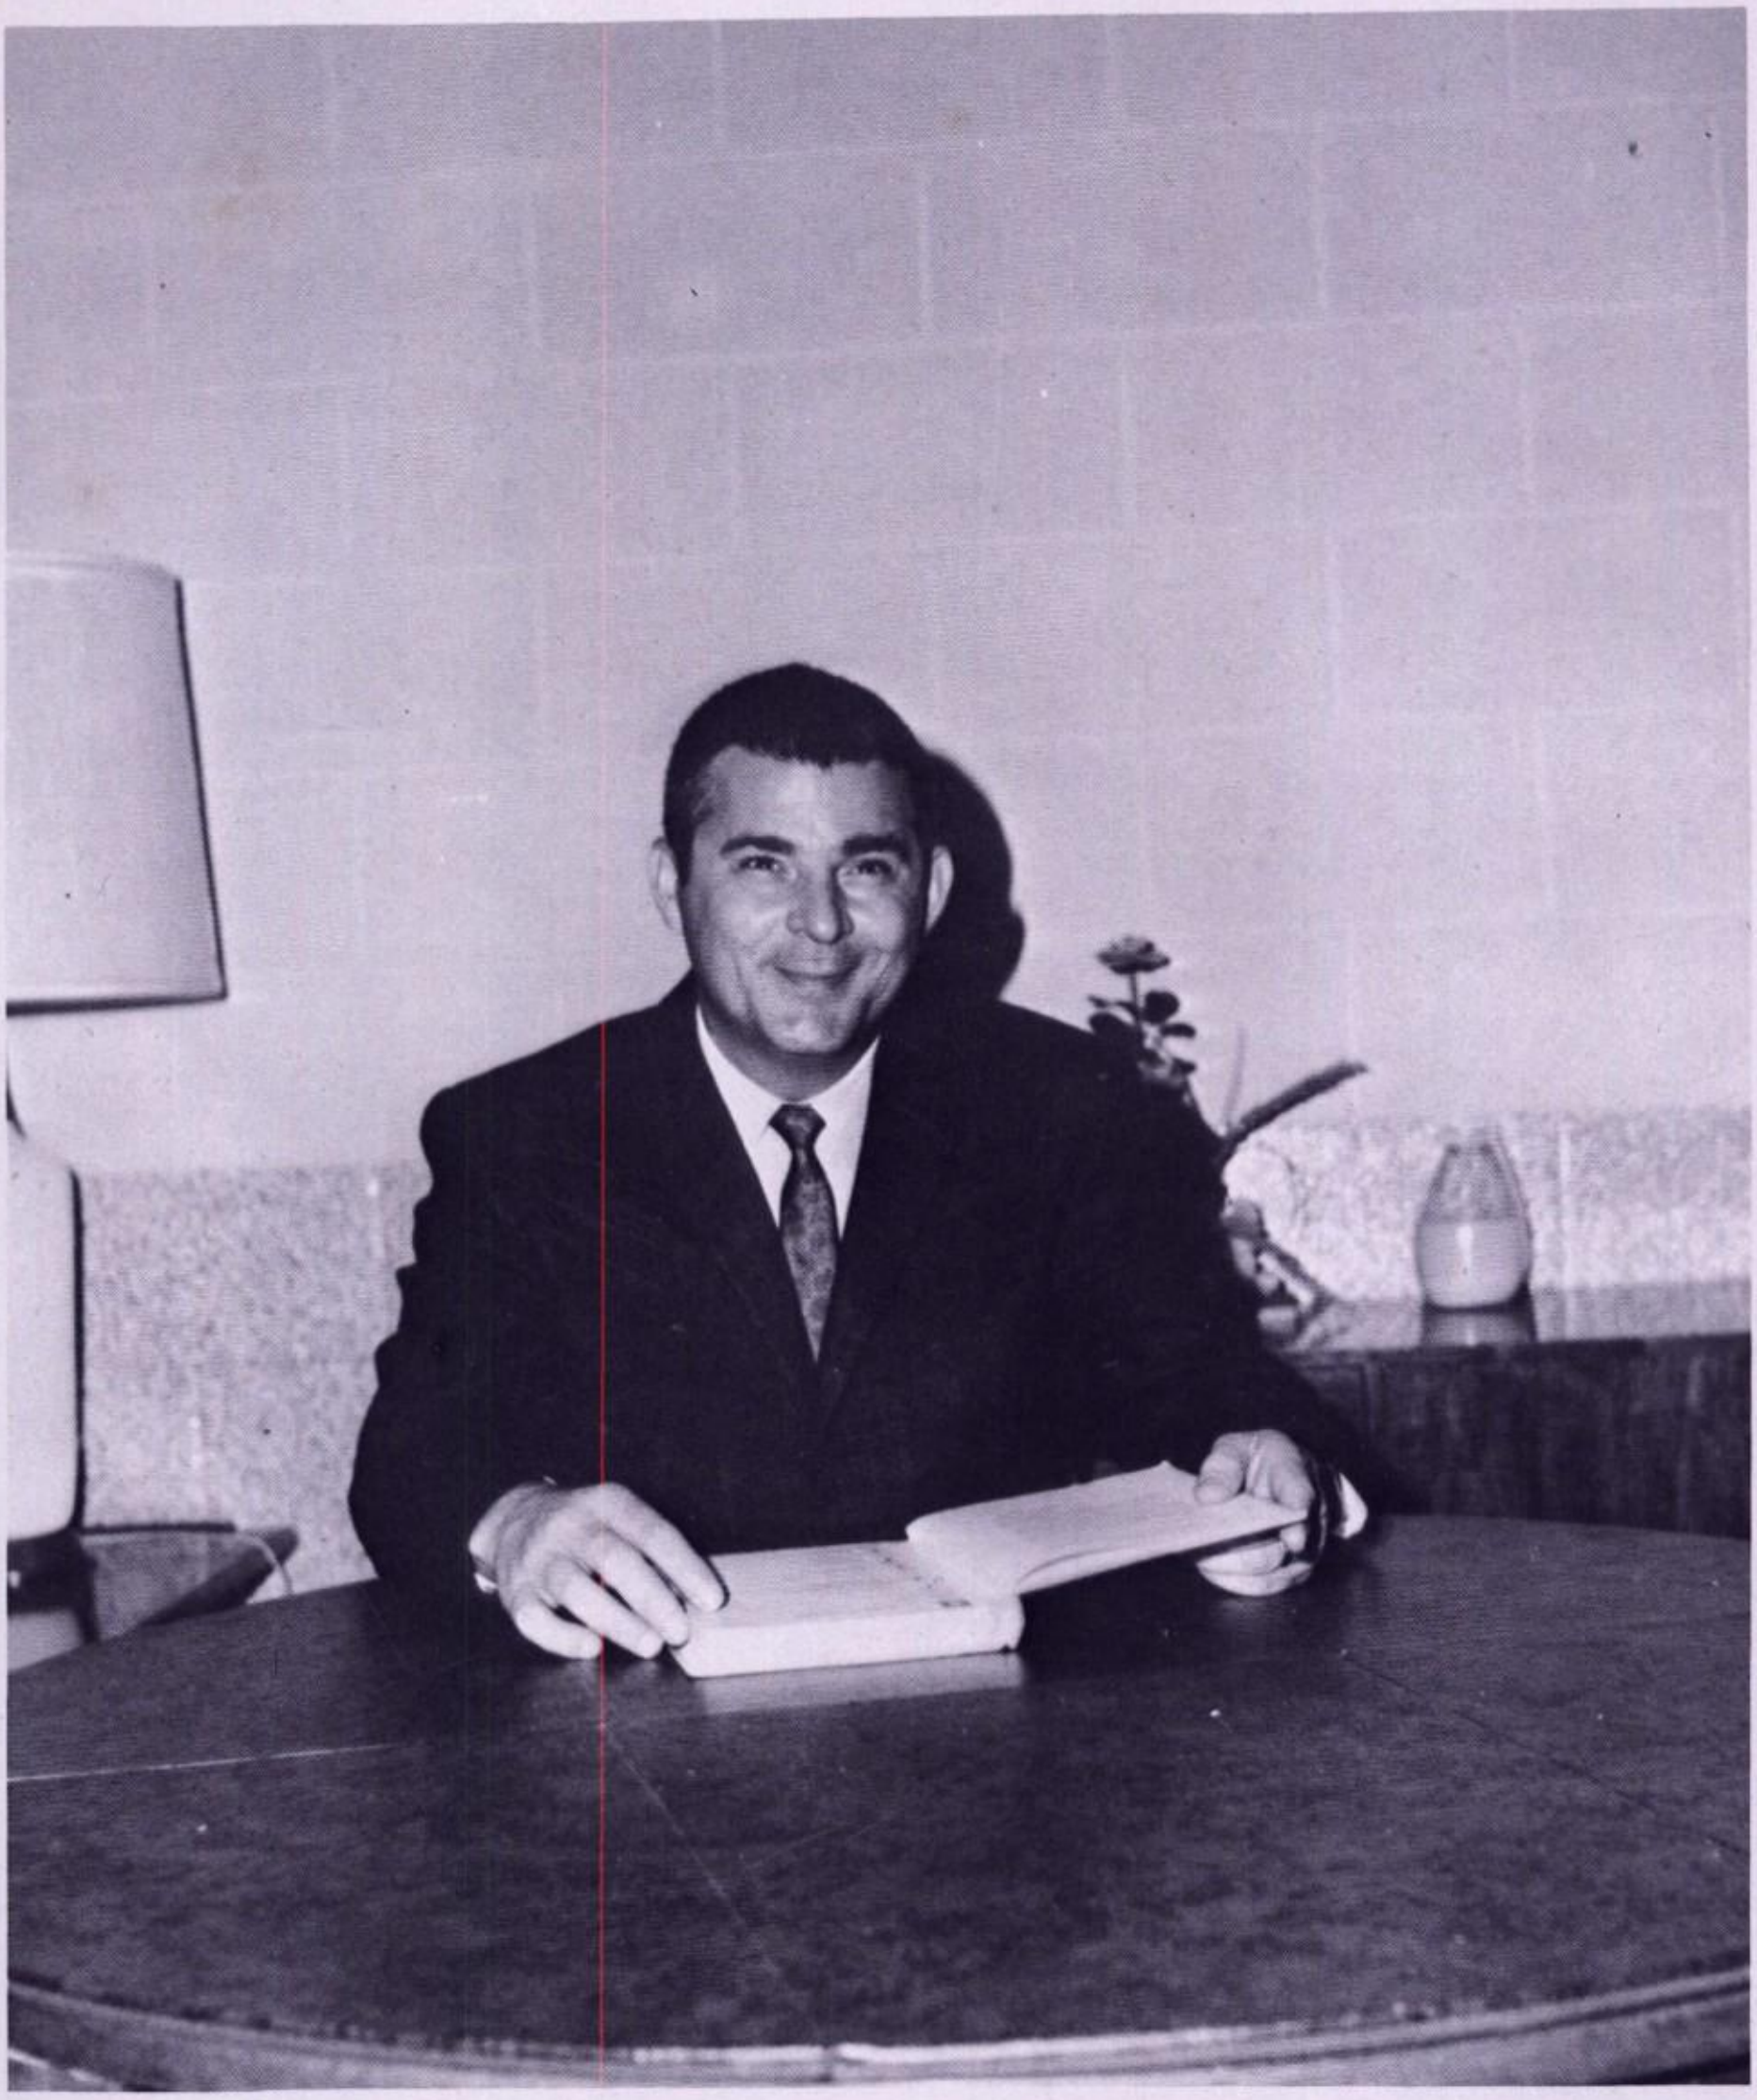
For teaching us about our wonderful nation and government

For instilling school spirit within us

For leading us through victory and defeat in sports

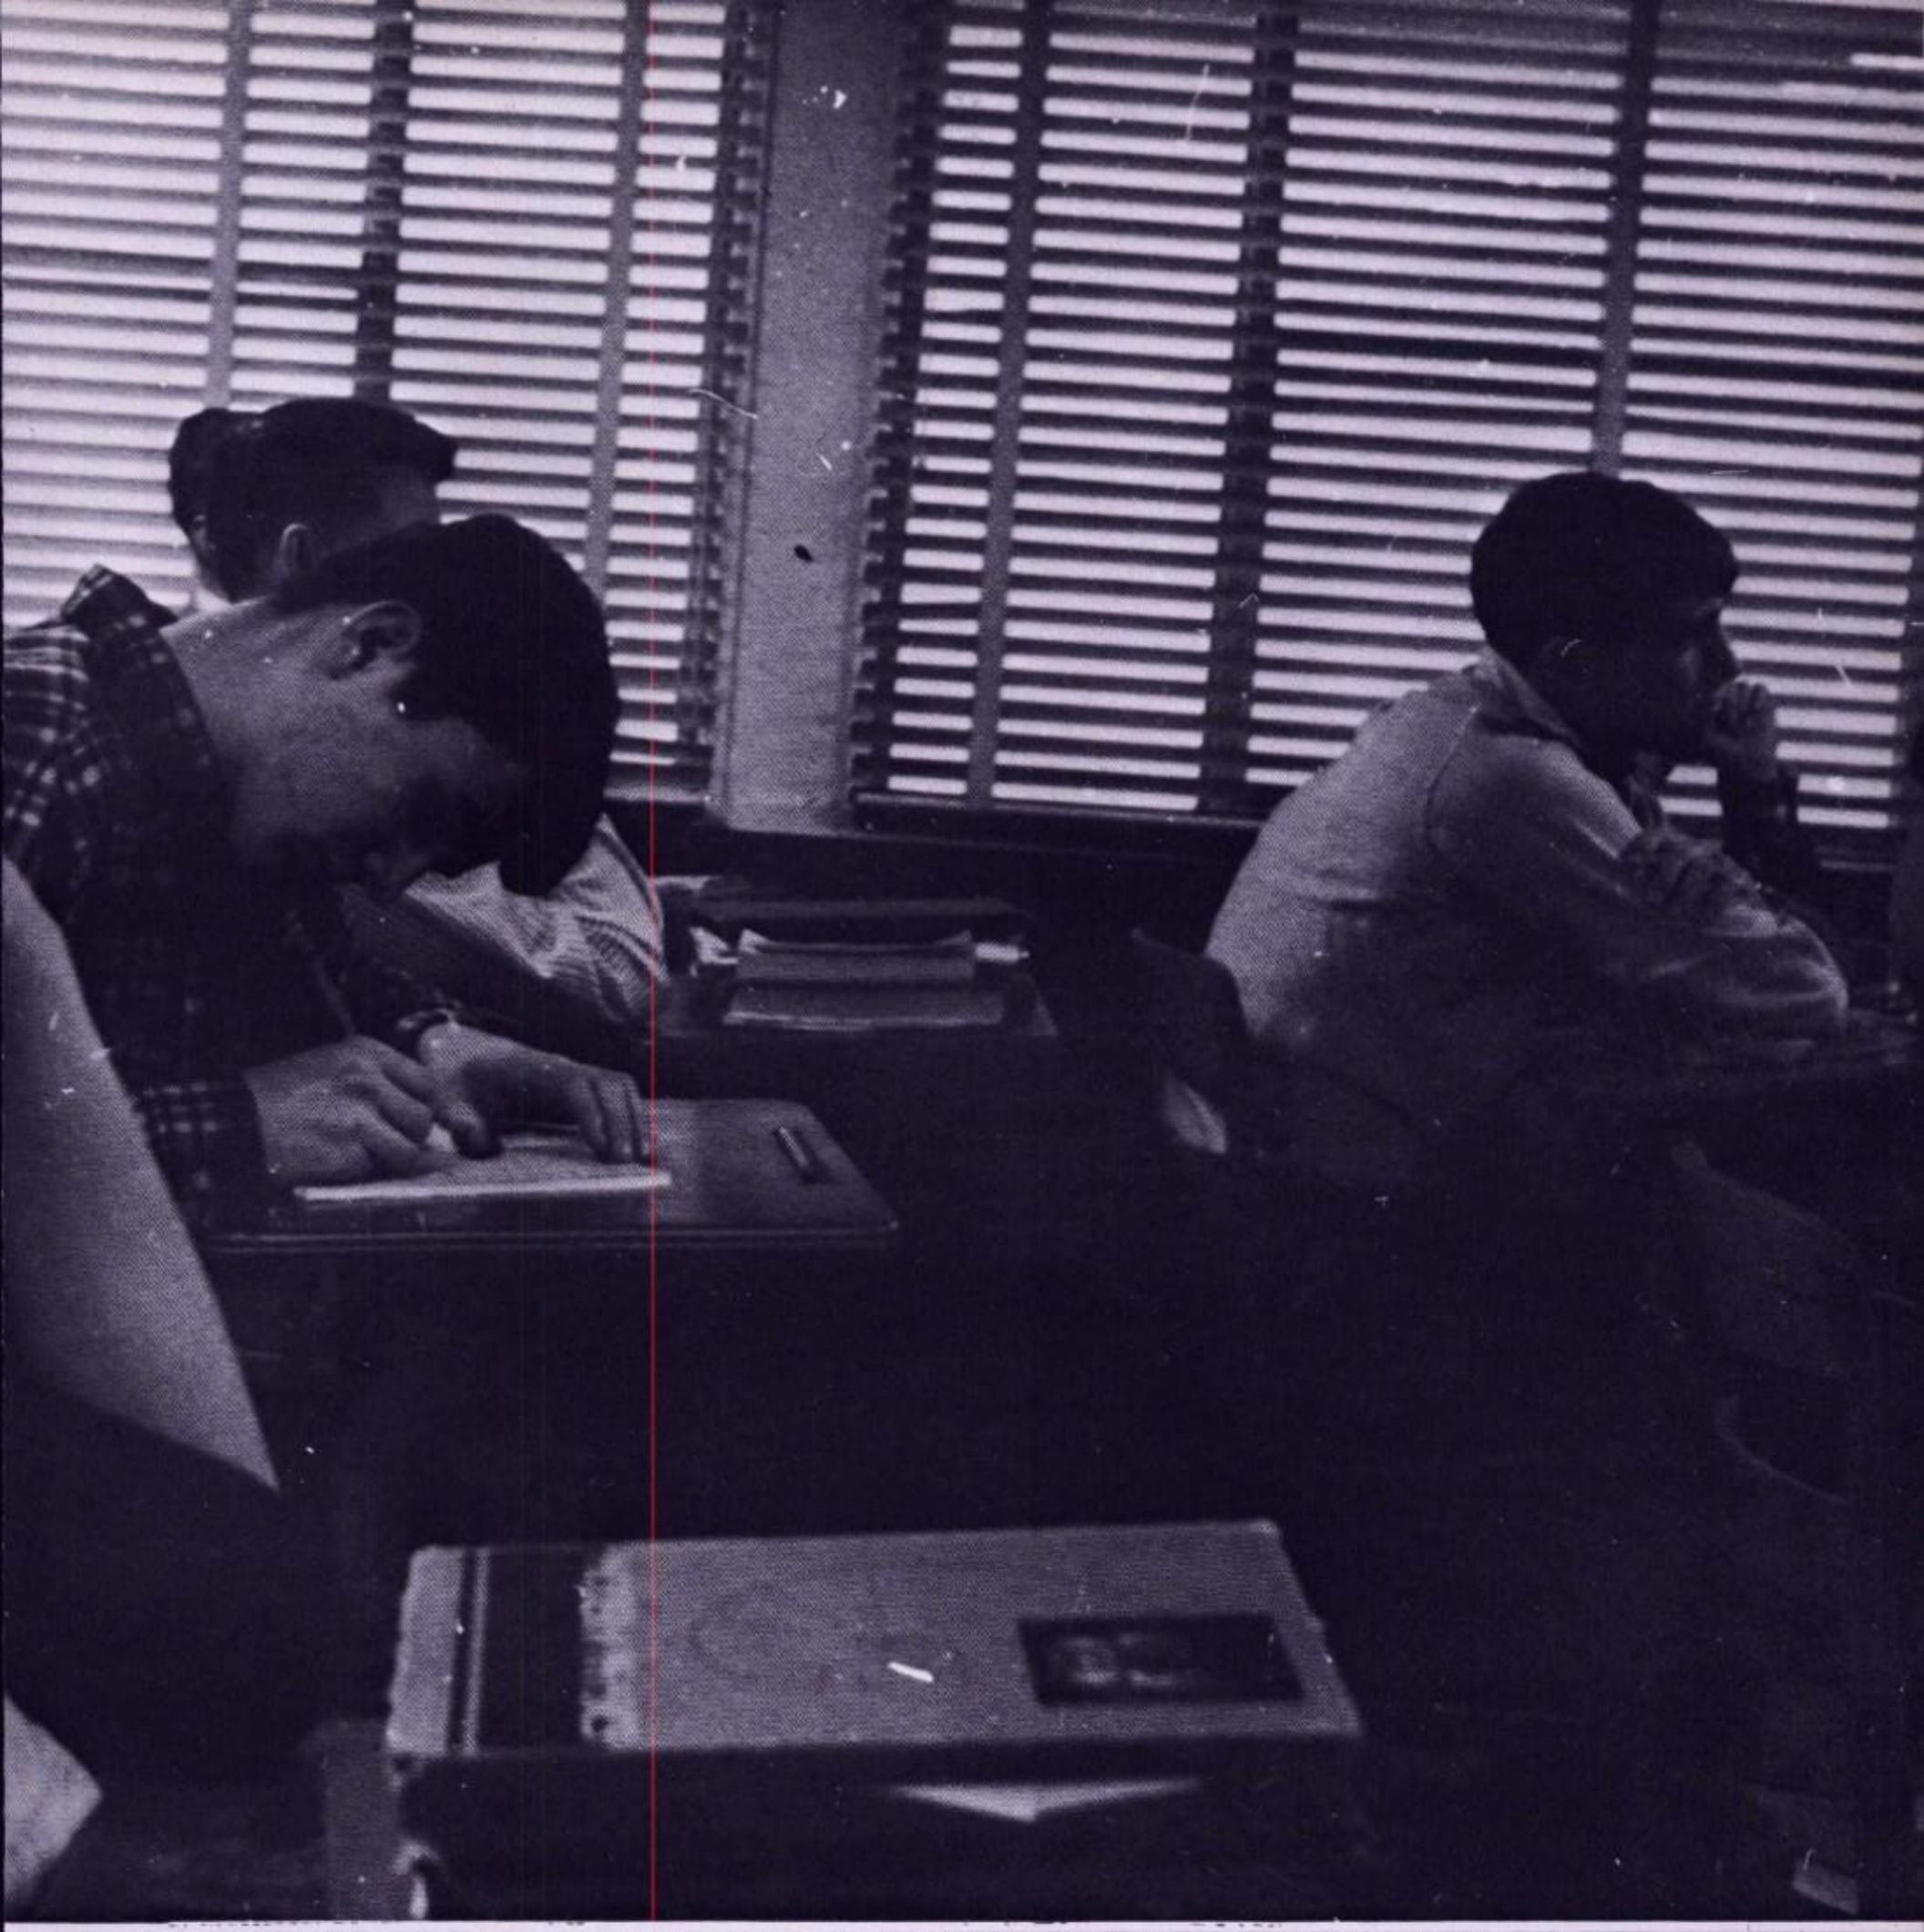
For all you have taught us in the classroom and out

We the 1966 Senior Class of Berne High School dedicate this our first edition of Reflection to our coach, Mr. Sanford Brueckheimer, who himself is truly dedicated.



If I were sitting here and the whole world were indifferent to what I was doing, I would still want to be doing just what I am.

SENIORS



Behind the certain's mystic fold
The glowing future lies unrolled.

Senior History

In the fall of 1962 we proudly walked through the doors of Berne High School as freshmen. We elected John Burry as our president; Ernest Steiner, our vice president; Betty Pyle, our secretary; and Linda Reusser, our treasurer. As freshmen, we gave our first class play.

The following year our officers were president, Steve Steury; vice president, Mike Spichiger; secretary, Jennifer Wulliman; and treasurer, Sandra Habegger. Proudly we presented the play, "Hercules' Night Out." As sophomores many of us took geometry, and thus we too made the annual trip to Mammoth Cave in Kentucky.

Then feeling very grown up and wise, we took our place as Berne's juniors. Steve Steury, our president; John Burry, our vice president; Sueann Von Gunten, our secretary; and Donna Blum, our treasurer guided us through the year. In March we helped present the musical, "Brigadoon." We chose as our reception theme "Underwater Paradise."

Finally last fall we began our last year at B.H.S.—our senior year! Our officers were Steve Steury, president; Herman Wulliman, vice president; Sandra Agler, secretary; and Tanya Moser, treasurer. Again we participated in the chosen musical, "Music Man." For our class motto we chose "Character is Destiny." Our colors were ivory and moss green, and the yellow rose was our flower. Our busy senior year came to a close after a beautiful reception given to us by the juniors and an eventful alumni banquet.

We pause 'mid the wonders of Life
And the magic of Science,
To bring forth on these pages
The golden moments of time
Just past.
It is our wish to walk again
The paths of achievement, fun
Beauty and skill;
To ski the winter slopes and
Enjoy the summer sun.
We set them all before
You —

Come walk with us!

Blue Band

The Berne High School Marching and Symphonic band has again chalked up another year of fine musical performance.

The marching band participated in the Bluffton Street Fair parade, Berne and Decatur Halloween parades, the band day at Purdue University, Homecoming, local football games, and at the Woodburn Centennial parade. The stirring music and formations and their striking appearance added much to the season.

The symphonic band also presented such programs as the Christmas concert, the Annual Winter Band Concert in February, and the Berne, Bluffton, and Decatur Joint Concert at Decatur. The band also participated in the contests along with the other musical groups. At the end of the year they ended a great season with their stirring performance in the Pop Concert.

Much credit is again due to Mr. Gerig for his hard work with the band. The band which met three times a week worked hard for its success

Orchestra

Under the excellent direction of Dr. Freemen Burkhalter, the orchestra has again taxed the patience of this fine man and successfully completed another year of musical performance.

The orchestra started its season by participating in the Christmas Concert, and in March they played for the annual Spring Concert.

The Berne High School Madrigal Singers were an active part of our music department this year. If you had looked into the music room on Monday or Friday mornings around 7:30, you would have seen our Madrigals practicing diligently. As a result of all their rehearsals they very capably participated in four concerts. The first of these was a Rotary concert followed by one at Lions' Club the next evening. Later in the season they sang for a youth conference at the E.U.B. Church and at a Madrigal Festival at Ball State University in Muncie, Indiana. Last of all, they helped make our annual Pops Concert a success by singing several numbers.

The Berne High School A Cappella Choir, under the fine direction of Dr. Freeman Burkhalter, has had a very busy year. Because Dr. Burkhalter has a vast knowledge of music and many years of experience, anyone participating in the choir received the best choral instruction. The Berne, Bluffton, Decatur Joint Concert, a Christmas Concert given on WKJG-TV, and a choir festival participated in at Ball State are only three of the highlights for the year.

The A Cappella also participated in the District and State contests in which the choir received first for the twentieth consecutive year. The annual "Pops" concert closed the door on a very busy season for the A Cappella.

In preparation for their appearances, the choir spent about 4½ hours a week, practicing three mornings and every noon. The success that the A Cappella received is very much deserved.
